

Our Highly skilled, professional, diverse employees are a partner in continuously redefining the security industry

Hollenbeck Protective Services

Licensed * Insured* Experienced

Security you can count on!

MALL SECURITY

Safety is one of the most important feelings customers/tenants can have. Our team will actively patrol the property providing a safe environment , while enforcing the rules and regulations of the property. Burglaries, vehicle breakins, and trespassings happen every day. The chances of these happening drastically decrease with Hollenbeck Protective Services.

Transparency:

We utilize GPS Technology to produce digital daily activity reports via our mobile app that allows for photos providing transparency to our client. These reports indicate all security patrols to include slip & fall hazards, security responses and incident reports that help reduce risk of liabilities.

RETAIL SECURITY

Just like malls, we provide uniform services for the entire retail industry Shopping centers, stand-alone stores, restaurants and more! size doesn't matter. We are well trained in the retail industry and provide the same level of service that allows the business to operate as normal while providing professional enhanced security.

Customer Assistance?

We know it all too well. From lost & found, vehicles needing a jump start, to customers unable to locate their vehicles, assistance locating lost loved ones, escorting guests, and providing directions. Whatever it may be, rest assured we can help.

Maintenance requests can easily be created within our app and sent immediately to the right team!
