Security you can count on!

Parking lots & Garages

Safety is one of the most important feelings people can have. Parking in unsecure lots/garages can bring an eerie feeling to many, and can be a deciding factor on where to park. Our team will actively patrol these locations providing a safe environment while enforcing the rules and regulations set by management. Burglaries, vehicle breakins, carjackings and trespassings happen every day. The chances of these happening drastically decrease with Hollenbeck Protective Services

Medical Emergencies?

Our officers are CPR, AED, and First aid Certified

Our security team are readily accessible and maintain a high level of visibility through all interior and exterior areas of the property. Security responds to a variety of calls for service , and always remain professional, willing to help.
